Inclusion Services for Summer Camp Programs

The City of Scottsdale encourages participation by everyone. If your child has special needs and wishes to participate in our Total Enrichment Clubs or Sports Camps, we will be happy to make accommodations to meet your child's needs. Adapted Recreation staff will assist children with disabilities in participating in integrated recreation activities such as arts & crafts, indoor/outdoor games, cooking, creative expression, and special events. Smaller staff ratios, activity accommodations and emphasis on social and leisure skill development with non-disabled peers are unique aspects of these programs. An assessment of your child may be required for accommodations. Please call 312-0218 if you have any questions or you wish to set up an accommodation. Adapted Recreation Services requires a minimum of 14 days notice for accommodation requests.
